

Felix's Favourite Day

By Fiona Lowry

Felix's Favourite Day is a gentle rhyming picture book encouraging positive thinking. Perfect for children ages 3-5 years

Felix loves animals and dreams of being a vet when he is older. The only problem is, he doesn't have his own pet to look after yet. After begging, badgering, and bothering his parents, Felix is finally taken to the local animal shelter for what his parents hope will be a sensibly chosen cat or dog. Felix may have other ideas!

Imagine. Believe. Receive.

'I read it with my four-year-old who giggled at Felix's initial outrageous pet suggestions and roared with laughter at his final pet choice.'

I'm a children's author from a quiet Scottish village, where freedom, wonder, and imagination shaped who I am. After having children, I began a journey back to inner truth and positivity. Through books and soul-led resources, I now help families nurture confidence, kindness, and the power of positive thinking. My mission is to spark a global ripple of self-belief — because I know firsthand that when we change our thoughts, we change our world.
