

Meet Franco, a typical 6-year-old boy who loves everything about cars. Franco dreams of owning his own bright red Ferrari one day but how to get one...?

It is not until he uncovers the mystery of the Green Light Fairy that he realises, with a bit of positive thinking, he really can make his dreams come true!

A small green fairy with curly hair and wings is flying in the sky above the title.

FRANCO

and the

GREEN LIGHT FAIRY
