(CEO, GWBook Prize)

I'm a children's author from a quiet Scottish village, where freedom, wonder, and imagination shaped who I am. After having children, I began a journey back to inner truth and positivity. Through books and soul-led resources, I now help families nurture confidence, kindness, and the power of positive thinking. My mission is to spark a global ripple of self-belief — because I know firsthand that when we change our thoughts, we change our world.
